

amount (or absence) of
lation wear is expressed
g a familiar adjectival scale.

Strike

The strength, evenness and centering of strike, as well as die state and planchet quality, are assessed using a five-point scale.

Surface

The visible effects of circulation, burial and recovery are evaluated using a five-point scale.

Style

The Fine Style designation is awarded to coins of superior visual impact based on the quality of their style and composition.

Fine Style

...of the world's first coinage

With its unique grading system, NGC Ancients provides an accurate and concise analysis of the quality of ancient coins. By separately assessing wear, strike, surface and style, we offer a more thorough evaluation of a coin's condition. Furthermore, coins of exceptional merit that stand out above their peers are awarded a Star Designation (★)—a feature exclusive to qualifying coins graded by NGC.

Discover the true value of your ancient treasures.
